

Attachment to the Certificate No. 20100223014566

The certificate is valid for the following sites:

TMK PAO

40/2A, Pokrovka Street, Moscow, 101000, Russian Federation

Management company in the field of design, manufacture, sales and shipment of steel tubular products, including with TMK UP Premium connections, coated and uncoated; tool joints. Manufacture, sales and shipment of steel ingots and billets. Design and manufacture of steel cylinders. Field services, including servicing of tubular products with TMK UP Premium connections in the field, repair and storage of tubular products. Granting of licenses for the right to use intellectual property (TMK UP Premium connections). Qualification of suppliers. Purchasing of basic raw materials and supplies

Separate Subdivision of PAO TMK in Ekaterinburg, Sverdlovsk Oblast, Russia

51, Ul. Rozy Luxemburg, Ekaterinburg, 620062, Russian Federation

Sales of tubular products and billets. Purchasing of raw materials and parts for steel-making, pipe-rolling and pipe-welding production.

Subsidiary of the "TMK" PLC in Yartsevo, Smolensk region

3, Liteynaya No. St 1., Yartsevo, Smolensk region 215805, Russian Federation

Sales of reinforcing bars.

«Sinarsky Pipe Plant», Joint stock company

1, Zavodskoy Proezd, Sverdlovsk Oblast, Kamensk-Uralskiy, 623400, Russian Federation

Design and Manufacture of non-upset and upset seamless tubing, threaded & coupled; tubing couplings; seamless casing, threaded & coupled; casing couplings; oil & gas seamless line pipe, plain-end; seamless drill pipe; seamless hot formed carbon and low alloy steel tubes; seamless tubes for special requirements (boiler tubes); cold formed carbon, low alloy and alloy steel tubes; insulated tubing and couplings.

"Volzhsky Pipe Plant" JSC ("VPP" JSC)

6, Prospekt Metallurgov, Volgograd Oblast, Volzhsky, 404119, Russian Federation

Design and Manufacture of steel welded pipes, seamless pipes of carbon, alloy or stainless steel, special and general purpose, casing pipes and couplings for them. Application of internal and/or external corrosion-resistant coating. Manufacture of carbon, alloy and stainless steel billets.

Joint stock company "TAGANROG METALLURGICAL WORKS" (JSC "TAGMET")

1, Zavodskaya, St., Taganrog, Rostov region, 347905, Russian Federation

Design and manufacture of plain-end line pipes seamless line pipes, seamless threaded and coupled casings, threaded and coupled tubing; tubing couplings; casing couplings, drill pipes, general purpose plain-end electric-welded pipes of round, square and rectangular section; standard plain-end pipes; standard plain-end zinc-plated pipes. Manufacture of carbon and alloy round continuous casting billets.

AO Seversky Pipe Plant

7, Vershinina Street, Polevskoy, Sverdlovsk Region, 623388, Russian Federation

Design and manufacture of seamless hot-rolled steel pipes, casing and couplings, elevated corrosion-resistance and cold-resistance pipes; electro welded steel pipes for gas and oil pipelines, automotive industry and general use. Manufacture of carbon and alloy steel billets

TÜV
AUSTRIA

Joint Stock Company «TMK-CPW» (AO «TMK-CPW»)

7, Vershinina Street, Polevskoy, Sverdlovsk Region, 623388, Russian Federation

Manufacture of seamless longitudinally-welded steel pipes for general application and for oil and gas pipelines, manufacture casings.

The Russian Research Institute of the Tube & Pipe Industries, Joint Stock Company («RUSNITI JSC»)

30, Ul. Novorossiyskaya, Chelyabinsk, Russian Federation, 454139, Russian Federation

Design and development of tubular products. Qualification of suppliers (second party audits)

Limited Liability Company TMK-INOX (TMK-INOX LLC)

Site No. 1 1, Zavodskoy Proezd, Sverdlovsk Region, Kamensk-Uralski, 623401, Russian Federation

Design, manufacture, sales of seamless cold-worked pipes made of stainless steel grades and alloys. Design, manufacture, sales of longitudinally-welded pipes made of stainless steel grades.

Separate Subdivision of TMK-INOX (TMK-INOX LLC) in Moscow

40/2A, Pokrovka Street, Moscow, 105062, Russian Federation

Sales of tubular products of stainless steels and alloys.

Separate Subdivision of TMK-INOX in Volzhsky

6, Prospekt Metallurgov, Volzhsky, Volgograd Oblast, 404119, Russian Federation

Sales of tubular products made of stainless steel grades and alloys. Purchasing of raw materials for pipe rolling production

"TMK-Premium service LC"

51, Rozy Luxemburg Street, Ekaterinburg, Sverdlovsk Region, Ekaterinburg, 620026, Russian Federation

Design of connections, including TMK UP Premium connections, development of regulatory technical documentation used in the production of tubular products. Support of the license contracts for TMK UP Premium connections. Field services of tubular products with TMK UP Premium connections.

"TMK-Premium service LC" Subdivision in Moscow

40/2A, Pokrovka Street, Moscow, 105062, Moscow, Russian Federation

Design of connections, including TMK UP Premium connections, development of regulatory technical documentation used in the production of tubular products. Support of the license contracts for TMK UP Premium connections. Field services of tubular products with TMK UP Premium connections.

"TMK-Premium Services LC" Subdivision in Taganrog

30, Morozova Street, Taganrog, 347928, Russian Federation

Design of connections, including TMK UP Premium connections, development of regulatory technical documentation used in the production of tubular products. Support of the license contracts for TMK UP Premium connections. Field services of tubular products with TMK UP Premium connections.

"TMK-Premium Services LC" Subdivision in Buzuluk

461046 Russian Federation, Buzuluk, Orenburg region, st. Technical, building 6, construction 1, Russian Federation

Field services of tubular products with TMK UP Premium connections.

TMK Oil Field Services

51, Rozy Luxemburg Street, Ekaterinburg, 620026, Russian Federation

Management company in the field of:

- manufacture and repair of tubing and casing, repair of drill pipes;
- manufacture of pipe string components;
- application of corrosion-resistant and other protective external and internal coating on pipes and accessories (tubular products);
- storage and sales of tubing, pipe string components and tubular products.

LLC TMK NGS – Buzuluk

6, Tekhnicheskaya Street, Buzuluk, Orenburg Region, 461066, Russian Federation

Manufacture, repair, storage and sale of tubing and casing pipes including Premium threaded connections.

TMK NGS-Nizhneartovsk Joint Stock Company Nizhneartovsk Tube-Repair Base, Building 1, Samotlor Oil Field, Nizhneartovsk District, Khanty-Mansi Autonomous Okrug – Yugra, 628637, Russian Federation

Manufacture and repair of tubing, repair of drill pipes. Application of corrosion-resistant and other protective external and internal coating on pipes and accessories (tubular products). Sales of tubing, pipe string components and accessories (tubular products).

Separate Subdivision of AO TMK NGS-Nizhneartovsk in Novy Urengoy. Site for Repair of Pipes and Manufacture of Pipe String Components

21, Ul. Promyslovaya, Novy Urengoy, Yamalo-Nenets Autonomous Okrug, the Russian Federation, 629309, Novy Urengoy, Russian Federation

Manufacture of pipe string components, including those with TMK UP Premium connections. Threading of connections – including those with TMK UP Premium connections – on pipes and pipe string components.

Truboplast Pipe Coating Company

51, Rozy Luxembourg Street, Ekaterinburg, Sverdlovsk Region, 620026, Russian Federation

Application of corrosion-resistant external coating on pipes. Sales of tubular products.

Joint Stock Company "Orsky Machine Building Plant"

1, Krupskoy Street, Orsk, Orenburg Oblast, 462431, Russian Federation

Design and manufacture of tool joints, tubing couplings, pup joints, accessories for casings and tubing. Design and manufacture steel gas cylinders. Threading capacities

Limited Liability Company "TMK-Yartsevskiy metzavod" (LLC "YMZ")

215805, Smolensk region, Yartsevo, 1st Liteynaya street, building 3; Russian Federation

Design and manufacture of reinforcing bars intended for use in road construction, nuclear power, construction and other industries. Manufacture of continuously cast billets from carbon and low alloy steels.

Joint Stock Company «Pervouralsk Pipe Plant» (JSC «PNTZ»)

1, Torgovaya Street, Pervouralsk, Sverdlovsk region, 623100, Russian Federation

Design, development, production and delivery of continuous cast billets, seamless steel (hot-formed and cold-formed), longitudinal electric welded steel pipes and steel seamless cylinders.

www.tuv.at/certcheck

Joint Stock Company «Chelyabinsk Pipe Plant» (JSC «Chelpipe»)

21, Mashinostroiteley Street, Chelyabinsk, 454129 Russian Federation.

Design, development, production, delivery: of seamless cold- and hot-formed pipes with plain ends for pipelines, including the mains; threaded pipes, including couplings for arrangement of chinks oil and gas fields, for construction metal structures; of pipes with and without external anti-corrosion coating.

LLP "TMK- Kaztrubprom"

11 A Ruzheynikova St., Uralsk, Western-Kazakhstan Region, Uralsk, 090005, Republic of Kazakhstan

Threading, coupling make-up with tubing and casing.

Representation Office of TOO TMK-Kaztrubprom in Nur-Sultan

Non-Residential Premises 19, bld. 8, Mangilik El Avenue, Nur-Sultan, 010000, Republic of Kazakhstan

Sales, shipment and storage of tubular products.

TMK Middle East FZCO

P.O. Box 293534, Dubai Airport Free Zone, Bld. 4WB, Off. 438, Dubai, United Arab Emirates

Sales of tubular products and billets.

TMK Global SA

Boulevard du Theatre 2, Geneva 1204, Switzerland

Sales of tubular products and billets: made of stainless steels grades and alloys; carbon and alloy round continuous casting billets.
